TO STATE MEETING

COUNTY TEACHERS LEAVE TODAY FOR ST. JOSEPH.

EXPECT 300 TO ATTEND

Normal and County Schools will Send Large Representation by Special Cars—Several on Program.

Three hundred and more teachers of the public schools of Nodaway county and members of the faculty of the State Normal school will leave this afternoon and tomorrow morning for St. Joseph to attend the fifty-third annual meeting of the Missouri State Teachers' association, to be held there the last three days of this week. Incidentally these many teachers are going to strive earnestly to "cop" the state trophy to be given the county having the largest membership representation in the association.

The 300 or more school marms and men of Nodaway county will be very much in evidence on the various auxiliary programs, while the Normal school will be a star attraction at headquarters. Several members of the faculty also will enliven the general sessions with able talks pertaining to school work and management, among them being Prof. Ira Richardson, president.

A reception and banquet also to be given by the Normal school Friday afternoon and night in the parlors of the Hotel Robidoux, likewise will put Maryville's pet and pride prominently to the fore.

All the public grade and high schools of Nodaway county will be closed this afternoon to stay closed until next Monday morning. The locks will be placed on the doors, the windows barred and the pretty school marms and their flocks will take a four-day vacation. According to W. M. Oakerson, county school superintendent, nearly every one of the 200 teachers in the county outside of Maryville will attend the state session at St. Joseph, because if they do not they will be "docked" for tomorrow's and Friday's vacation.

On the other hand, if they attend the state meeting they will be paid for the two days frolic just as though they were digging away at school. A close tab, however, will be kept on the teachers at the St. Joseph convention. Cards are kept showing just what sessions each teacher attends. They can not very well hike off on a social engagement or go shopping without Superintendent Oakerson being aware of it.

The first delegation for the teachers' meeting will leave probably by special car on the Burlington passenger train No. 3 this afternoon, while the remainder going from Maryville will take a special coach on the Burlington train No. 5 tomorrow morning. Most of the Normal faculty and student representation will not leave until Thursday afternoon as the Normal school will be in session yet tomorrow.

Every one of the twenty-nine teachers of the city schools, except E. O. Boone, a negro teacher at the Douglas school, will attend the state convention, Superintendent Oakerson said yesterday. The Normal will probably send fifty or more, including faculty and student representation. Prof. H. B. Schuler of the Maryville Conservatory of Music also expects to attend and maybe have a glee club there.

Local teachers who are on tomorrow's program are:

At the Robidoux hotel—Miss Hettie M. Anthony of the Normal, "School Credit for Home Work," 2 p. m., at auxiliary meeting of the Missouri Association of Household Arts and Sciences; M. G. Neale of the Normal and E. R. Utter, high school principal, discussion of "Desirable Changes in the Present Organization of the Public Schools," 2:30 p. m.

At White Temple church, beginning at 2 p. m.—Superintendent Oakerson and Miss Nellie Halasey, on "Some Rural School Problems from a Teacher's Viewpoint; Mrs. Mark Hiles of Burlington Junction and Miss Ella Hale of Quitman, "The Relation of Rural Schools to the Needs of the People;" L. S. Mendenhall, Barnard, "Boys' and Girls' Clubs in Missouri;" Miss Zella Barton, Maryville, "The Kind of Co-operation that the Rural School Teacher Needs;" Miss Margaret McCann, Ravenwood, "What Are the Essentials in a Rural School Course of Eight Years."

Elmo Couple Would Wed.

A license to marry was granted in the office of the recorder of deeds this morning to J. Wilson Ferguson, 19 years old, and Miss Etta Bernice Colter, 17 years old. Both live at Elmo.

ISSUE EXTENSION BULLETIN

Normal School to Aid Teachers by Correspondence and Reading Circles.

A bulletin of sixteen pages outlining the course of study for the extension work, planned for teachers, was issued today by the State Normal school. It also gives the course of study for correspondence work and reading circles. The reading circles are formed under the direction of the county superintendent of schools.

The extension classes may be formed in convenient centers where a sufficient number of individuals want the same subject and grade of work. The Normal school will supply instruction where the groups can be reached easily and without retarding the regular Normal work. The extension classes meet each Saturday, no member being allowed, however, to take more than two courses.

The correspondence courses are taken individually, each furnishing his own texts. Outlines, however, are sent by the Normal school to the student, who prepares the papers in accordance to suggestions from the school. The papers are graded at the school by the faculty and then returned, marked, to the student. Not more than two courses may be taken by a student. Twelve lessons are given with each course. Nearly every course offered at the school direct can be taken by correspondence.

ODD FELLOWS GIVE DEGREES.

White Cloud Lodge Entertains Visiting Members With Banquet.

A banquet and the exemplification of degree work were but two of the several features which marked a big meeting of Odd Fellows from several lodges of the county and Barnard in the hall of White Cloud lodge, No. 92, last night. Four automobile loads of Barnard I. O. O. F. members and several from each of five out-of-town lodges attended last night's festivities.

FORMER RESIDENT DIES.

Word Received of the Death of Mrs. J. W. McMacken at Shiloh.

Word has just reached Maryville of the death of Mrs. J. W. McMacken, a former resident whose death occurred on October 7, at her home, in Shiloh, S. D. Her death was caused by pneumonia, the malady developing from a slight cold and resulting in her death a week later. The McMacken family were residents of Maryville for a number of years. Mrs. McMacken was a cultured and accomplished woman and enjoyed the friendship of a large circle of people in this city. About twelve years ago the family moved to Dakota.

Mr. McMacken is a brother of Frank McMacken of Burlington Junction and of Mrs. N. V. Bilby of Holdenville, Okla.

TO PLAY OUTDOOR GAMES.

Grade School Boys Divide Into Five Basket Ball Teams.

The grade boys of the Washington school will play basket ball out doors while the nice weather lasts. Goals are being put up on the tennis court back of the building and a tournament will be started next week.

Five teams have been chosen with the following boys as captains: Joseph Kemp, Elvin Campbell, Guy Kissinger, Harold Moon and Glenn Anderson.

ARRANGES FOR BANQUET.

Normal Coach Prepares for Receiving and Feasting at St. Joseph.

Walter Hanson, coach at the State Normal school, went to St. Joseph yesterday to arrange for the reception and banquet to be given by the Normal school at the Hotel Robidoux Friday to those attending the state teachers' meeting there the last of this week. The reception will begin at 3 o'clock in the afternoon. It will be followed at 6 o'clock by the banquet.

The functions are to be given to arouse enthusiasm in the school here and to generally boost the state institution. Members of the faculty, students alumni and friends of the school will be invited to attend. Plates are to be laid for 200. The hotel parlors, where the affairs are to be held, will be decorated in the school colors of green and white.

Examines Railroad Tax.

P. F. Hornish of St. Louis, tax agent for the Burlington railroad, was in Maryville yesterday to examine the school and county tax levy against that railroad. Mr. Hornish is taking the place temporarily of G. N. Mills, who recently died. Mr. Mills was considered an expert on tax levies and assessments. Mr. Hornish probably will succeed him definitely soon.

FOR BETTER ROADS

LINCOLN TOWNSHIP AUTHORIZES $25,000 BOND ISSUE.

HAD 11 VOTES TO GOOD

Vote Was, North End, 228 for, 45 Against; South End, 17 for, 61 Against.

The taxpayers of Lincoln township dug down deep in their pockets yesterday, and after once refusing, brought up a majority of 11 votes for the issuance of $25,000 in bonds to build new culverts and improve the highways generally in the northwest section of Nodaway county. But it was tough sledding, as the returns of yesterday's election shows.

The north end, which the first time stood pat for highway betterment, regardless of expense, rolled up a vote of 228 for to a measly 45 against yesterday, but the south end made just as determined a fight again yesterday and threw 61 rocks in the way and gave but 17 boosts. The township vote was nearly as large as that cast at last Tuesday's general election.

The result was that 245 of the voters of Lincoln township voted for the bond issue, while 106 voted against it. As it required a two-thirds majority, or 234 votes to carry, the believers in better roads got by with but eleven votes to spare.

Need New Culverts.

While Lincoln township votes but $25,000 for road improvement, the state will duplicate that amount, so that in reality $50,000 will be expended on the roads in that township as a result of yesterday's election. None of this can be used before next spring, it is believed. By the time the bonds are sold, whether to local investors or to bonding companies, it will be nearly spring, according to Fred J. Yeomans, deputy county clerk.

Most of this fund will be used to build new concrete culverts, Grant Elrod of Elmo, trustee of that township, said this morning. "The highways generally are well graded and drained," he said, "and the township has few large creeks and no rivers to contend with. There is need for a great many culverts, however, which will take all of the fund appropriated."

Farm Owners Objected.

As Mr. Elrod's term as trustee expires next spring, it is not probable that he will have charge of any of the apportionment.

The principal objection to the bond issue came from the large farm owners of the south end, who did not favor the idea of paying more taxes. They got out a full strength and worked hard to defeat the proposition.

Polk and Union townships voted for the road bonds last summer while Lincoln the first time turned it down by a few votes.

EMPIRE BOWLERS BEAT HAINES'.

H. J. Becker Gets High Score and Maulding Top Average in Contest.

The Empire bowling team won two out of three games from the Haines team at Yeo Bros.' alleys last night. H. J. Becker of the Haines team got high score of 171 in the last game, while Harold Maulding of the Empire had high average of 153. The Haines team will play the Toggery team tomorrow night. The scores:

Haines:			
August Stapler	141	162	98
H. J. Becker	120	143	171
William Saunders	113	127	115
Totals	374	432	384

Holds Funeral for Infant.

The funeral services of Ralph Russell Hammond, the infant son of Mr. and Mrs. George G. Hammond, who died November 5, were held at the home Friday afternoon, conducted by the Rev. R. L. Finch, pastor of the First Christian church. The body was interred in Miriam cemetery. The infant was born November 2.

Mr. and Mrs. J. W. Hudgens and family have gone to Robinson, Kan., where they will make their home in future.

CITY OFFICER DIES

S. G. SELECMAN, 49, SUCCUMBS AFTER 10 MONTHS' ILLNESS.

COLLECTOR AT DEATH

Held Municipal Positions of Tax Garnerer and Policeman—Will Hold Funeral Friday Afternoon.

Samuel G. Selecman, city tax collector, died at 8.50 o'clock this morning at his home, 806 South Walnut street. His death was caused by paralysis and a complication of diseases with which he had been suffering since last January. For months past he had been a complete invalid.

The funeral services will be held Friday afternoon at the Buchanan Street Methodist church, conducted by the pastor, Rev. J. H. Hubbard. The interment will be in Miriam cemetery. Mr. Selecman was a member of the I. O. O. F. and Maccabee lodges and of the Buchanan Street Methodist church. Both lodges will have a part in the funeral services.

Mr. Selecman was the son of Mr. and Mrs. S. G. Selecman. He was born at McComb, Ill., January 1, 1865. With his parents he came to Maryville when 16 years of age.

For a number of years he followed the contracting and building trade, and later took an active part in civic affairs, holding several city offices. Several years ago he served as city tax collector, and following that served as night policeman for two years. At the city election last April he was re-elected to the office of tax collector, which he held at the time of his death.

Mr. Selecman was married December 4, 1893, at St. Joseph, to Miss Lillian Estes, who, with four children, survive. The children are Harold E., deputy city collector; Merle E., Nile, and Mary Elizabeth, a little girl of 5 years. His father died a number of years ago and his mother about three years ago at Savannah. He is survived by one brother, I. H. Selecman of Cosby, Mo., and seven sisters. One sister, Mrs. T. B. Chandler of Kansas City, was here at the time of her brother's death, and another sister, Mrs. L. N. Houston of Tulsa, Okla., is expected to arrive in Maryville tomorrow.

Mr. Selecman had been through the various degrees of the Odd Fellows lodge, holding in turn each of the official chairs. He was very much interested in all work pertaining to the lodge and its affairs.

Notice.

All Odd Fellows are requested to meet at hall Friday, Nov. 13, at 1:30 p. m., to attend in a body the funeral of Brother Samuel G. Selecman.

JOHN W. AWALT, N. G.
AMOS SPRECHER, Secretary.

TO HAVE BASKET DINNER.

White Cloud Congregation to Have "Eats" and Sermons Sunday.

A good, old-fashioned, get-together type of basket dinner will be held at the White Cloud church next Sunday. Each member of the congregation will be expected to bring a host of edibles and the whole stacked on a long table in the church at noon. Besides the "eats" there also will be three services Sunday, they being in the morning, afternoon and at night. The Rev. E. F. Estes, pastor, will conduct them.

TO ATTEND STATE MEETING.

Miss Langan to Represent Maryville at Library Association at Sedalia.

Miss Grace Langan, city librarian, will leave Saturday morning for Sedalia to attend the meeting of the State Library association. The meeting will be held November 18 to 20, and will be attended by librarians from all over the state. The program will take up topics of benefit and interest to library work. En route, Miss Langan will stop at Columbia for a few days.

William G. Sawyers, Robert Sawyers, John Sawyers and Lawrence Gault returned last night from a five days visit with relatives at Greenfield and Winterset, Ia. The trip to and from the Iowa towns was made in the automobile of John Sawyers. While in Iowa several squirrel hunts were enjoyed and an auto tour made to Des Moines and Ames.

High School Corner is Being Widened to Lessen Danger.

The southwest and the northeast corners of First and Vine streets, where a one-third block "jog" is made at the Washington school building, is being cut away today by the street committee, to lessen traffic dangers there. About fifteen feet will be removed at the southwest corner and about eighteen feet from the other turn. It will necessitate the removal of one telephone and two light poles.

The sidewalks at these corners also will be changed, so that the roadway will not be so near to the pedestrian walk. The change will probably cost $200, according to City Engineer F. L. Flynt. The removal of earth at the two corners was begun this morning and the curb around the parking is being removed.

TO HOLD BROWN FUNERAL RITES.

Services for Mrs. French Brown at Clearmont Christian Church Tomorrow.

The funeral services for Mrs. French Brown of Burlington Junction, who died yesterday morning at St. Francis hospital, will be held at 2 o'clock tomorrow afternoon at the Christian church of Clearmont.

The interment will be made in the Clearmont cemetery.

ADDRESS CALLAWAY TEACHERS.

Superintendent W. M. Oakerson Will Discuss "Some School Problems" at Fulton.

County School Superintendent W. M. Oakerson will deliver an address on "Some School Problems" at the second day's meeting of the Callaway County Teachers' association in Fulton, November 20. The county session will begin November 19 and end the night of November 21.

RUFFIANS AND SLUGGERS WIN.

Foul Loses Game for Dodgers After Exciting and Close Contest.

In the first of two games played in the high school tournament yesterday afternoon the Ruffians defeated the Athletics 14 to 8. By winning this game the Ruffians gained a good hold on third place and have hopes of soon routing the present occupants of second place.

The second game, between the Sluggers and Dodgers, proved to be the exciting game of the afternoon. The two teams were tied most of the game, and with the score 10 to 10 a Dodger committed a foul just ten seconds before time was up in the last half. Captain Strader of the Sluggers decided the game in his favor by throwing the foul goal. Summary:

Ruffians—Field goals, Groppe 3, Sawyers 2, Baker 1, Hughes 1.

Athletics—Field goals, Gillam 2, Scott 1, Brunson 1.

Sluggers—Field goals, Flemming 3, Strader 2. Free throws, Strader 1.

Dodgers—Field goals, Glass 2, Tilson 2, Ledgerwood 1.

The teams' standing:

Teams.	Won.	Lost.	Pr.ct.
Pirates	8	0	1.000
Sluggers	4	3	.571
Ruffians	4	4	.500
Dodgers	2	6	.250
Athletics	2	7	.222

KAISER FOR PEACE

GERMANY WOULD STOP RUSSIAN ATTACK, REPORTED.

CROWN PRINCE AT HEAD

Titled Teuton to Command Combined Forces Against Czar's Troops—Ready to Bombard Cracow.

London, Nov. 11.—Coincident with the news that every German soldier has been swept from Russian soil comes a whisper of peace negotiations between the two factions. In a report received here today from Petrograd, it is said that German officials of Berlin have approached Russian officials with overtures, looking toward the cessation of hostilities between those two countries.

Paris, Nov. 11.—In almost direct contradiction to the report of peace negotiations from London, the Petrograd correspondent for the Matin, telegraphs as follows:

"It is reported that after a council of war, presided over by the kaiser, the crown prince was appointed commander-in-chief of all German-Austrian armies operating against Russia General Von Hindenburg will command the left wing, while General Dankl will command the right wing."

The Russian army is ready to advance upon Crockow. Non-combatants along the line of march are being expelled.

WILL FILL CITY VACANCY

Mayor to Appoint Mrs. S. G. Selecman Collector Until Spring to Succeed Her Husband.

The office of city collector, which becomes vacant today with the death of S. G. Selecman, who has held that office since his election last spring, will be filled probably tomorrow by Mayor U. S. Wright by the appointment of Mrs. Selecman. She will hold the office until the expiration of the term next April. The work will be done, however, as in the past, by her son, Harold Selecman, deputy collector.

The bond of approximately $40,000 which was required of Mr. Selecman also will be required under the change necessitated by his death. The office will be closed the remainder of this week out of respect to Mr. Selecman and family, although this is the busiest season of the entire year in that office. The city taxes become due only this week.

Mayor Wright said this afternoon he had been advised by counsel that Mrs. Selecman could succeed her husband legally and yet designate her son to conduct the work of that position. It first was feared some one other than she would have to be appointed because of legal obstacles.

Mr. Selecman succeeded J. G. Grems as a result of last spring's election. He was ill at that time and never was able to assume the duties of the office, however.

LIVASY CASE UP TOMORROW.

Try Suit Against Trust Officers at Savannah—Adjust Nodaway Suit.

The suit of the People's bank of Maitland against W. T. Jackson of Ravenwood and James B. Robinson of this city was adjusted out of court at Savannah yesterday after the case had been called for trial, the jury selected and part of the evidence introduced. Shinabargar, Blagg & Ellison represented the local defendants and B. R. Martin of St. Joseph and Fred Harvey of Maryville were counsel for the Maitland bank.

A suit of Mary Livasy against Joseph Jackson, Jr., and S. G. Gillam to set aside a deed of trust, which was transferred from the circuit court of Nodaway county at the September term to the Andrew county circuit court, is docketed for trial at Savannah tomorrow.

Get Permit to Marry.

A license to wed was issued in the office of the recorder of deeds today to Fred E. Horn, 23 years old, of Burlington Junction, and Kate M. Dredge, 18 years old, of Elmo.

HAVE LIGHT AT LEFT SIDE.

In Reading, Sewing or Working Tests Show Strain is Lessened.

The well known fact that, when using the eyes for any near work, the illumination should come from the left side rather than the right is often disregarded. Let any one who considers the matter of little importance once demonstrate to himself the difference and he will never forget it. Take a pencil and paper and try to write while in such a position that the light will fall from the right side. The shadow of the hand or pencil or both is thrown on the paper in such a way as partly to cover the characters one is making. This necessitates a closer viewpoint and a conscious strain on the eyes.

Now let the position of the writer be reversed so that the light falls on the work from the left side. He will notice that the shadows fall away from the work he is doing and leaves the field unobscured. In making the change he cannot help but notice the feeling of ease that immediately is experienced by the eyes. This applies to any other kind of near work in which the fingers work under the guidance of the eyes. This fact should be remembered in planning school rooms, work rooms, offices and any places where steady close work is to be performed.

Defer Fancher Murder Trial.

Owing to the absence of a material witness for the defense, the trial of R. B. Coffey of Stanberry, charged with the murder, last August, of Mrs. Myrtle Fancher of Savannah, was continued until next February by Judge E. E. Porterfield at Savannah yesterday. Several Nodaway county attorneys were present to attend the trial and also to act as counsel on other cases.

IS BIG CORN CROP

FEDERAL EXPERTS SAY MOST VALUABLE HARVEST IS READY.

STATE YIELD LARGER

Missouri's Maize Turn-Out Will Be 30,000,000 Bushels Greater—Apples and Potatoes Make Records.

On the basis of average farm prices at the beginning of this month, 69.7 cents a bushel, this year's corn crop is the most valuable ever produced, being worth 1,886 million dollars according to agricultural experts of Washington. The yield turned out 100 million bushels greater than seemed likely two months ago. The preliminary estimate announced today is 25.8 bushels to the acre and 2,705,692,000 bushels for the entire country, 258 million bushels greater than the crop of 1913 and 2 million bushels less than the average of the past five years.

The yields in the principal states, this year and last, are here shown:

States.	1914, bush.	1913, bush.
Iowa	389,424,000	338,300,000
Illinois	300,034,000	282,150,000
Nebraska	178,992,000	114,150,000
Indiana	163,317,000	176,400,000
Missouri	159,016,000	129,062,000
Ohio	149,440,000	146,250,000
Texas	133,280,000	163,200,000
Kansas	115,956,000	23,424,000
Minnesota	89,040,000	96,000,000
South Dakota	75,504,000	67,320,000
Oklahoma	56,430,000	52,250,000

The quality of old corn of the 1913 crop remaining in farmers' hands is 80,069,000 bushels, which compares with 138 million bushels one year ago.

The Biggest Apple Crop.

The preliminary estimate of the apple crop is 259 million bushels, which is an increase of 29 million bushels over the October estimate and is probably the largest crop ever raised. The yield in 1913 was 145 million bushels and the average for the past five years 176 million bushels. The average of farm prices for the whole country November 1 was 56 cents, compared with 85.6 cents a year ago.

The potato crop also turned out better than expected. The preliminary estimate is 109.6 bushels to the acre and a total of 406 million bushels, 24 million more than the October estimate, 74 million more than the crop of 1913, and 49 million more than the average of the past five years. The average of farm prices is 54 cents a bushel, compared with 69.6 cents a year ago.

The crop of sugar beets, 5,147,000 tons, is 512,000 tons less than that of 1913.

More Valuable Than Last Year.

Farm values of nine principal northern crops this year are about 520 million dollars more than the values of the same crops last year. Comparisons are as follows:

	1914.	1913.
Corn	$1,886,000,000	$1,692,092,000
Wheat	858,000,000	610,122,000
Oats	483,000,000	439,596,000
Rye	34,000,000	26,220,000
Barley	101,000,000	95,731,000
Potatoes	219,000,000	227,903,000
Hay	803,000,000	797,077,000
Flax seed	19,000,000	21,399,000
Apples	145,000,000	124,000,000

SECRET WIRELESS STATIONS

U. S. Authorities Suspect Belligerents of Maintaining Them.

along the coasts of the United States are serving as information bureaus for belligerent cruisers at sea have caused the navy to join the state department in efforts to locate and destroy such stations if they actually exist.

According to reports, both Germans and Japanese have the concealed wireless outfits. One is said to be located in the woods of the Maine coast, another in the northwest, and still another on the Florida peninsula.

Messages have been picked up by merchant ships that apparently came from these stations, though the fact that they are generally in code has made it impossible to trace them to their origin.

LODY SHOT AS SPY IN TOWER OF LONDON

Former Omaha Man Put to Death For Espionage.

London, Nov. 11.—It is officially announced that Carl Hans Lody, alias Charles A. Inglis, who was found guilty by a court-martial of espionage Nov. 2, has been shot as a spy.

When arrested Lody claimed to be an American, but later confessed he was a German. He had lived in New York and Omaha. In the latter city he married the daughter of Gottlieb Storz, a brewer, who later divorced him.

Lody met his death in the Tower of London, after having been found guilty by a court-martial on charges of having communicated with the enemy. The statement concerning the execution is brief, merely saying: "Sentence was duly confirmed."

It is understood that Lody died game, refusing to the last to reveal the name of the superior officer from whom he received his instructions to spy on the British navy.

This was the first execution in the Tower of London since 1700. The scene of the execution was the tower barracks, not far from the spot where Anne Boleyn and other persons famous in English history were put to death.

RUSS BUSY IN BOSPHORUS

Vessels of Enemy Sighted at Several Points on Black Sea.

London, Nov. 11.—According to a dispatch to the Exchange Telegraph company from Constantinople, Russian cruisers have bombarded the forts in the Bosphorus.

Petrograd, Nov. 11.—A communication from the general staff of the army in the Caucasus says:

"The ships of the enemy were sighted at several points on the Black sea coast."

An official communication from the general staff of the navy, gives the details of the sinking recently of several Turkish transports. The communication says:

"The commander of the Russian fleet on nearing Port Sangouldak sent two of his ships with some torpedo boats to destroy the buildings and workshops of the port. This was done successfully. Moreover, a Turkish steamer was sunk.

"At the same time our scout ship sighted a Turkish military transport filled with soldiers which was about to put to sea. Our cruisers approached this vessel, opened fire and sank it.

"Shortly afterwards the Russian fleet sighted through the mist a Turkish naval column of two transports, one of which, the Midhat Pasha, had hoisted the war pennant. Torpedo boats sent to destroy these transports soon sighted a third one.

"The three transports, laden with ammunition, guns, automobiles and aeroplanes, were sunk. We saved and captured 248 men on the ships, among them several German officers, and a staff officer who was bearing documents. The prisoners declared the transports were to be used to take troops to Trebizond."

King Lauds Conduct of British Army.

London, Nov. 11.—King George has sent the following communication to Sir John French, commander of the British expeditionary force on the continent: "The splendid pluck, spirit and endurance shown by my troops in the desperate fighting which has continued so many days, against vastly superior forces, fills me with admiration. I am confident of the final result of their noble efforts under your command."

Russ Spurn Berlin Offers of Peace

London, Nov. 11.—A Rome dispatch to the Post says: "Germany, alarmed at the Russian success, has made preliminary offers of peace to the Russian government, which have been rejected."

FLEXNER WILL STUDY PLAGUE

Head of Rockefeller Institute on Way to Chicago.

WILL TRY TO ISOLATE GERM.

Effort Will Be Made to Develop Anti-Toxin—Extension of District Surprises and Somewhat Discourages Agricultural Department Officials.

Chicago, Nov. 11.—Simon Flexner, head of the Rockefeller institute, was reported as being on his way here to study the foot and mouth disease, with a view to isolating the germ and developing an anti-toxin. It was Dr. Flexner who isolated the previously elusive germ of infantile paralysis.

After a thorough disinfection and cleaning, the Chicago stock yards will reopen for business next Sunday at midnight, when shipments of live stock from all non-infected districts will be received and the slaughter of animals resumed.

In determining infected districts, the county will be used as the unit by the government officials in enforcing quarantine. Under this plan every county in Illinois, Iowa, Wisconsin and other infected states where a case of the foot and mouth disease has appeared will be prohibited from shipping live stock into the Chicago stock yards until further notice.

If Silicon Were a Gas.

Whistler at West Point seems to have had a sort of subconscious knowledge of his destiny, and this gave him an utter indifference to everything not consonant with it. Here he was a failure. A direct statement in a class recitation that "silicon is a gas" discouraged his chemical instructor and was one of the final blows to his military career. As Whistler said himself, if silicon had only been a gas he might have become a major general. But the fates were against it.

MOTHER! IS CHILD'S STOMACH SOUR, SICK?

If Tongue is Coated or if Cross, Feverish, Constipated Give "California Syrup of Figs."

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomachache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the 'California Fig Syrup Company." Hand back with contempt any other fig syrup.

Eight Little Girls Entertained.

Little Miss Margaret Louise Hosmer was the honored guest of a campfire picnic supper given last night by Mr. and Mrs. Augustus Romasser, when they entertained eight little girls. Wieners and marshmallows were roasted over a huge bonfire, and after supper the time was spent with games and roasting peanuts and apples. The guests were Margaret Louise Hosmer, Louise Peery, Helen Claycomb, Sterrill Bishop, Grace and Mary Ferritor, Lucile Lane and Elizabeth Keck.

Club Department Meets.

The regular meeting of the Shakespearean department of the Twentieth Century club was held yesterday afternoon at the home of Mrs. Anderson Craig, when the afternoon was devoted to the study of the third act of "King Lear." Mrs. M. G. Tate took up the question "With What Two Tragedies is King Lear Closely Allied and What Are the Points of Resemblance?" giving a very interesting reading. The paper on Edmund, to have been given by Mrs. Bruce Montgomery was held over until the next meeting. In the general discussion, directed by the chairman of the department, Mrs. Tate, the life, writings and characteristics of Shakespeare were considered. Current events were taken up by Miss Orril Helwig and the word drill was conducted by Mrs. G. B. Holmes.

Several visitors enjoyed the program with the club members. They were Mrs. J. H. Foster, Miss Virginia Finley of Chittenden, Ky., who is the guest of Mrs. Gallatin Craig and Mrs. C. H. Coe.

Give Dancing Party.

Messrs. Francis Sherlock, Harry Dempsey and Roy Fanning entertained a number of their friends with a dance at the W. O. W. hall Friday evening. Those present were Miss Stella Donahue, Miss Catherine Zech, Miss Rose Wilmas, Miss Marie Sherlock, Miss Pearlina Fanning, Miss Goldie Pope, Miss Veronica O'Grady, Miss Bertha Fanning, Miss Anna Sturm, Miss Elizabeth Wilmas, Miss Hazel Pope, Miss Elizabeth Straugh, Miss Lucy Sturm, Miss Mary Wilmes, Miss Clara Stein, Miss Cecile Fisher, Miss Donna Peters, Miss Theresa Shonley, Miss Clara Heitman, Miss Opal Knox, Will Stein, Francis Sherlock, Ray Taylor, Will Dempsey, Carroll Hogan, Will Knobbs, Alfred Sturm, Floyd and Earl Pope of Hopkins, Hubert Zech, Will Alkire, Earl Sturm, Harry Dempsey, Roy Fanning, Carl Dempsey, Will Straugh, Lee Sturm, Roy Straugh, Emmett Cummins of Burlington Junction, Frank Roney, Leo Roney, Dean Busby, Ernest Coler, Robert Powell, Joe Heitman, Harley Key, Byron Masters, Earl Dempsey, Will O'Grady, Jack Masters, Mr. and Mrs. Sidney Masters and Mr. and Mrs. Frank Dempsey. The music was furnished by Miss Anna Tarpley and Carl Tarpley.

Circle Has a Pleasant Afternoon.

Ensign Waldo Holt of the U. S. Navy who is spending a month's furlough with his parents, Mr. and Mrs. L. R. Holt, spoke to the members of the M. I. Circle yesterday afternoon at a meeting held with Mrs. Holt. The afternoon was begun with devotions led by Mrs. J. E. Melvin. A paper, "The Abolition Movement and Its Leaders," was read by Mrs. Eugene Ogden and one of Whittier's poems by Mrs. J. W. Ray. The remainder of the program was dispensed with on account of Mr. Holt's talk. This was extremely interesting and was much appreciated by the members. Mr. Holt has been with the Atlantic fleet for the past three years. He told of the cruise made by the fleet along the Mediterranean coast, the visit of the "jackies" to the foreign ports and then took up the country and people of Mexico as seen by him while with the fleet at the port of Vera Cruz. One of the most enjoyable parts of Mr. Holt's talk was that descriptive of the conditions aboard a man 'o war and the seafaring life. At the close of the program, Mrs. Holt served a delicious lunch to her guests. The next meeting will be at the home of Mrs. F. M. Martin. The visitors present were Mrs Rodney Hamblen, Mrs. J. D. Frank, Mrs. Bruce Montgomery, Mrs. Katherine Veeder of New Windsor, Ill., who is the guest of her sister, Mrs. Emma Shroyer, and Dr. Vilas Martin and son, Forrest.

There's a quaint and pretty Indian superstition that those who are photographed lose something of their personality--that this personality becomes a part of the picture.

Be this superstition or be it sentiment the idea bears both truth and charm. For a picture means something, is personal, gives the homely touch of friendship—especially at Christmas time.

You may know a woman who has a reputation for making delicious cake, biscuits, etc.,—who seems to hit it right every time.

You may also know a woman, who, no matter how painstaking, can't seem to get the knack of successful baking.

Both use the same butter, same eggs, same flour and sugar. What is the difference?

Very likely it's all in the baking powder. Undoubtedly the woman with the knack uses Royal Baking Powder, and the unsuccessful woman uses an alum baking powder thinking it cheaper.

Yet the difference in the cost of a whole large cake is less than a cent.

Titles and Taxes in Spain.

In Spain titles of nobility are taxed in the same way as houses or land. Moreover, each separate title is taxed, and for this reason certain members of ancient families in which a number of titles have accumulated drop some in order to save money. Owing to the system long prevalent in Spain by which women of noble birth transmit their titles, not only to their children, but to their husbands, so that a plebeian marrying a duchess becomes a duke, Spanish titles rarely become extinct.—Pall Mall Gazette.

ST. LOUIS WOMAN SUFFERS FOR 15 YEARS; THEN FINDS RELIEF

Mrs. Rosa Bennett Escapes Operation After Taking Wonderful Stomach Remedy.

Mrs. Rosa B. Bennett of 2606B Olive street, St. Louis, Mo., was ill with stomach troubles for nearly fifteen years. She had a great deal of medical attention and took many treatments. She was advised to undergo an operation by one specialist.

Then she took Mayr's Wonderful Stomach Remedy and found swift relief. She wrote:

"I was a sufferer for about fifteen years and I tried everything. I doctored with different doctors, and each one would give my trouble a different name. One said that I would never be any better until I was operated on, and another one said I had ulcers of the stomach. I could get no relief.

"I took Mayr's Wonderful Stomach Remedy.

"Now I can't praise your medicine enough."

Mrs. Bennett has had just the same experience with Mayr's Wonderful Stomach Remedy that thousands of others have had.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretion and removes poisonous matter. It brings quick relief to sufferers from derangements of the stomach, liver and intestinal tract. Many declare it has saved them from dangerous operations; many are sure it has saved their lives.

We want all people who have chronic stomach trouble or constipation, no matter of how long standing, to try one dose of Mayr's Wonderful Stomach Remedy. One dose will convince you. This is the medicine so many of our people have been taking with surprising results. The most thorough system cleanser ever sold. Mayr's Wonderful Stomach Remedy is now sold here by Pearson's Pharmacy and druggists everywhere.

CARRANZA AGREES TO U. S. DEMANDS

Genaral Gives In Regarding Question of Vera Cruz Evacuation.

Vera Cruz, Nov. 11.—General Venustiano Carranza has acceded to all the demands of the United States government in connection with the evacuation of Vera Cruz by the American forces, according to advices received here.

Generals commanding 50,000 men in the vicinity of Mexico City were relieved of their commands by General Carranza because they refused to nullify their action in signing an agreement to abide by decisions of the Aguas Calientes convention. Among these soldiers are General Benavides, commanding 10,000 men; General Antonio Villareal, General Juvenci Robles and many others.

It is reported that General Villa's advance guard, consisting of 15,000 men of all arms, is marching south of Encarnacion de Diaz on its way to the capital, which it is said to have been ordered to take in the name of Gutierrez. Between these troops and their goal is General Pablo Gonzales, who is loyal to Carranza, with 40,000 troops disposed about Queretaro City. It is expected a clash of arms will occur there.

Fighting of a severe character continues in the suburbs of the capital. It is reported the Carranza forces have been victorious everywhere in the suburban fighting.

SIX GIANT DESTROYERS

Bids Submitted For Opening at Navy Department.

Washington, Nov. 11.—Bids for the construction of six giant destroyers—the largest ever designed for the American navy—were submitted for opening at the navy department. Military characteristics not embodied in destroyers of the previous class have been planned for the new vessels and by increasing their displacement they will be enabled to carry four additional torpedo tubes and two anti-balloon guns. When the new vessels are completed there will be sixty-eight destroyers in the navy. The destroyers were authorized by the last congress and their limit of cost, exclusive of armament, is $925,000 each. They will have a speed of over twenty-nine knots.

NO OFFICIAL FUNCTIONS

U. S. Envoys of the Nations at War Not on Speaking Terms.

Washington, Nov. 11.—The usual time for issuing the dates of official dinners and receptions at the White House having passed, it was understood definitely that these affairs will not be held this year because of the death of Mrs. Wilson. The return of Miss Margaret Wilson from a visit to her sister, Mrs. F. B. Sayre, at Williamstown, Mass., brought the question to the forefront.

By abandoning the formal dinners and receptions for the season, the president has avoided what officials say would have been an embarrassing situation. A dinner and a reception has always been given in honor of the diplomatic corps. At present, however, the representatives of Great Britain, France, Russia and Japan are not on speaking terms with those of Germany, Austria-Hungary and Turkey.

BRITISH REJOICE AT EMDEN'S FATE

Destruction of Sea Terror Drops Insurance Rates.

KOENIGSBERG IS BOTTLED UP.

Story of Trapping Marine Raider in Palm-Lined African River Reads Like Romance Out of Stevenson's Book—Reports From Front Differ.

WAR SUMMARY

The battle in west Flanders and for miles to the south in French territory continues with unabated fury There apparently is little change in the general situation.

The advantage is claimed by both the Germans and the allies. There unquestionably has been a great loss in killed, wounded and prisoners.

The official statement from Berlin declares the western campaign is making satisfactory, but slow, progress; that 500 French colored and English prisoners have been taken in the vicinity of Ypres; that farther south the German troops have repulsed strong counter attacks by the British and are advancing, and that in the Argonne region favorable progress is being made.

The situation in the eastern arena is somewhat uncertain, owing to conflicting reports. From Petrograd it is stated the Austrians continue their evacuation of positions to the southeast of Lemberg, Galicia, and in Bukowina.

On the other hand, a Berlin disoatch by way of London, says official reports from Vienna announce the evacuation of the greater portion of Bukowina by the Russians, who are being pursued by the Austrians.

Petrograd official reports also claim marked progress in East Prussia where the Germans are said to have been driven back.

London, Nov. 11.—Reports from the eastern and western theaters of war were so conflicting as to leave but one big fact on land or sea undisputed. That was the destruction of the German raider Emden by the British cruiser Sydney and the trapping of the German cruiser Koenigsberg, the latter in a palm-lined east African river under circumstances which read as though they were taken from Stevenson.

The British marine insurance rate was almost instantly cut in half—for never since the days of the Alabama has there been such a successful commerce destroyer as the Emden. It is estimated that it has destroyed $100,000,000 worth of shipping.

Cheers broke forth at Lloyd's on the announcement and for the moment the struggles of the armies in France, Belgium, Russia and elsewhere were forgotten.

All Armies Clashing.

Yet all these armies were at each other's throat—the Germans and Russians clashing in cavalry engagements along the German frontiers, the Russians still harassing the Austrians in Galicia and French, Belgians and English uniting to hold back what still appears to be a tremendous German attempt to break through the allied line in the vicinity of Ypres.

Many dispatches speak of the movement of German troops eastward from Belgium as forecasting the necessity of reinforcements along the eastern frontier, but neither the French nor German official statements indicated any slackening in the violence of the German attacks in west Flanders. In fact, the French statement says that between the sea and Armentieres the opposing forces were both acting on the offensive.

Contentions Contradictory.

As to the outcome of this double offensive the rival contentions are absolutely contradictory, the Germans claiming slow progress near Ypres and the French asserting that the German attack was beaten back. In view of what seems to be a sustained and concerted German effort in this region, the reports of the German retirement are hardly borne out, although it is said they have moved their headquarters still farther east, this time from Ghent to Alost.

The situation along the battle line in France proper, from the standpoint of the allies, was summed up in a dispatch from an "observer with the Indian corps," who says there has been no marked change anywhere, though he professes to see a gradual weakening of the German attacks.

Aside from the military aspects of the war, what stood out boldest was Germany's reported threat to cut off the food supply the United States is sending to Belgium if the Belgians did not return to their cities and make an effort to resume their normal occupations. The Belgian answer is that it is impossible to resume a semblance of normal activity, because the German soldiers had commandeered all materials necessary to an industrial revival.

Count Von Spee Is Given Iron Cross.

Mrs. A. P. Swaney spent Sunday visiting her daughter, Mrs. E. T. Moore of Shambaugh. She was accompanied home by her granddaughter, who will spend a few days visiting.

James Milbank shipped two car loads of hogs to the St. Joseph markets Saturday.

CATARRH TROUBLE ENDED BY HYOMEI

An Inexpensive Easily Used and Most Effective Remedy.

Surely try Hyomei, nature's harmless remedy for catarrh, colds, asthma, bronchitis, or croup of children—a treatment that is pleasant to use, and so certain of results that the Orear-Henry Drug Co. sells it on the "No-cure-no-pay" plan.

Hyomei is not a cure-all but a specific for distressing catarrh and similar ailments. You breathe Hyomei so that its antiseptic medication at once reaches the irritated and diseased tissues, healing and soothing the sore spots.

Get a Hyomei outfit, which contains inhaler and bottle of liquid, at once. Put twenty drops of Hyomei into the inhaler and breathe it a few times during the day. There is no treatment so satisfying for it instantly opens the stopped-up air passages—you breathe freely, the unclean discharges from the nose stop, and dull headaches vanish—even the worst cases respond quickly.

Leaves on Visit.

Miss Besse Scott and her guest, Miss Gladys Kyser of Brookfield, left today for a visit of several days with friends at Bedford and Lenox, Ia.

Bulbs

We still have a quantity of BULBS in nearly all colors of Hyacinths and Tulips also Daffodils, Narcissus and Jonquils. There is nothing that will add a more beautiful touch to your home surroundings early in the spring than a bed or border of the above bulbs set out in the autumn. The ground is in extra nice shape now to set out bulbs, so do not delay this while the weather is good. Special prices on 100 lots etc.
